

KANSAS STATE POLYTECHNIC

Professional Development Course Scholarship

Professional Education and Outreach is dedicated to extending Kansas State University's academic offerings beyond the walls of the university through professional development courses. In an effort to provide professional development courses for all professionals a registration free scholarship is available for select professional development offerings.

Registration fee scholarships are awarded based on:

- Career potential and experience of candidate
- Ability to utilize course teachings in candidate's career field
- Identifiable limitations on candidate's ability to attend

Applicants must submit a complete application package by the deadline to be considered for the scholarship. Application deadlines can be found on the course web site. Applications received past the deadline will not be considered. Scholarships will only be awarded if the course meets the minimum registration. Applicants will be notified of the scholarship decision prior to the professional development course.

A completed application package should include the following:

- Completed application form
- Current résumé for candidate
- 1-2 page essay response
