• Favorite pillow - one is provided but if you want comfort bring your own!
• Medications – common medications needed are: Tylenol / ibuprofen and allergy medications
• Shower shoes/flip flops
• Shampoo, body wash, and deodorant
• Comb/Brush
• Sunscreen
• Insect repellant
• Light jacket
• Umbrella – optional
• Health insurance card
• Appropriate clothing for duration of program, including comfortable, closed toe shoes
• Non-polarized sunglasses
• Headset, if you own one, headsets will be loaned if not
• iPad, if you own one, tablet will be loaned if not
• iPad charger
• Spending money – for use at bowling alley, vending machines, or souvenirs at Stearman Field or the K-State Polytechnic book store (admission price, meals, and planned snacks are all covered in registration fee)

What’s included with the program:
• Pillow, bed linens, and blanket
• Towels
• Meals, snacks, and beverages
• Log book and pen
• E6B, plotter, and sectional chart
• Any other related aviation supplies and materials necessary for program participation, including loan of headset for use during flights

What not to bring:
• Alcohol, drugs, or related paraphernalia
• Strong cologne or perfume - it is close quarters in the plane and strong odors may affect others
• Flammables (including lighters, matches, fireworks, and explosives)
• Tobacco products and smoking paraphernalia
• Water balloons
• Water/toy guns
• Laser pointers
• Weapons (including knives and pocket knives)
• Unmanned aviation vehicles or radio-controlled aircraft or vehicles
• Anything that staff may view as potentially dangerous

If any of these items are found in a participant’s possession, they will be confiscated by K-State Polytechnic staff and may result in participant being asked to leave the program.

We also recommend participants not bring valuables such as jewelry, expensive watches, electronics, or non-replaceable items, especially those with sentimental value. K-State Polytechnic is not responsible for missing, lost or stolen items.
