

## Privilege Fee Breakdown 2019-2020

Privilege fees provide students with services, activities, and supplemental educational opportunities. They are mandatory for all students. Privilege fees are assessed per credit hour up to a maximum of 6 credit hours. The first through fifth credit hours are multiplied by one rate with the sixth set at another rate.

Kansas State Polytechnic's Student Governing Association (SGA) makes recommendations to college administration as to the continuance, discontinuance, or alteration of the campus' privilege fees. The breakdown of privilege fees on a per-student basis is as follows.
